

7th November 2016

Dear Parents,

The Upper School Entrance Exam for pupils in the Lower School will take place on:

English paper - Monday 14th November 2016 at 9.00am.

Maths paper - Tuesday 15th November 2016 at 9.00am.

This year pupils will sit the exam in their Lower School classroom. We feel that sitting the exams in their familiar setting, with their familiar adults, will benefit the children. Pupils should arrive in School at the usual time, as the exams will commence immediately after registration. Please ensure your child is not late on either day, as we cannot hold the start of the exam for late arrivals.

The English exam will take approximately one and three quarter hours, and the Maths exam is one hour. The children's day will run as normal following both tests.

If you would like your child to sit the exam, please indicate on the slip below. Please return your response to the Lower School Receptionists.

Yours sincerely

Mrs Jenny Shaw
Head Of Lower School
