

1<sup>st</sup> December 2016

Dear Parents/Guardians,

**Re Year 6 "Light-Up" Festive Card Sale**

As part of their 'Let There Be Light' topic this term, Y6 pupils have designed and engineered some wonderful light-up festive cards. There will be an opportunity to purchase the cards next week at the Dance and Drama Club Performance after school on Wednesday 7<sup>th</sup> December, and your son/daughter has expressed an interest in helping to run the stall.

Please can you complete and return the slip below if you are happy for your child to help run the stall until 5pm. Unfortunately, we can only have a maximum of 5 children running the stall and therefore we will be selecting them on a first-come-first-served basis.

The Year 6 children have decided that the money raised will be donated to St Joseph's Home for the Elderly in Harborne.

Thank you for your support.

Kind regards

**Mr Hewer and Mr Wernick**

Y6 Teachers
