Dear Parent(s)

After a discussion with Y6 about their transition to secondary schools, we became quickly aware that a common worry was that they would lose contact with their existing friends at St George's.

As a result, the class thought that it would be nice if everyone in Y6 could have each other's telephone numbers, so that they could call each other and keep in contact after moving to their secondary schools.

If you are happy for your telephone number to be passed on to the rest of the Y6 class, please can you complete the bottom of this form, as this may help to reduce any anxieties regarding their transition to secondary school.

Kind regards

Mr Hewer and Mr Wernick
