

15th May 2017

Dear Parents

There is a 'Rights Respecting Schools' workshop at 2 pm on Friday 19th May 2017, for all parents of Key stage 2 pupils.

Over the past year the school have been aiming to achieve the Level 1 Rights Respecting School Award. The main purpose of being a Rights Respecting School is to teach children about their rights (UN Convention Rights of the Child), and how to respect the rights of others.

The workshop will start in the hall where I will be delivering a presentation to parents about what the award is, why the school feel that it is important and how parents can get involved at home. Parents will then have an opportunity to spend time with their child/children in class to see the sorts of activities that we do to teach the children about their Rights.

Hope you can join us.

Please fill in the pro-forma below

Kind Regards,
