'Forrest Gump' film viewing

Dear Parent/guardian

**"Forrest Gump" film viewing**

As you're probably already aware, Year 6 have been reading 'Forrest Gump' as part of their Literacy enrichment this term. To complement the reading they have done and further reflect on some of the themes of the story, we felt it would be appropriate to watch the film adaptation of the book, towards the end of this term.

As the film is a 12 rating, we wanted to provide you with an opportunity to opt your child out of the film viewing, should you wish.

**Please only complete the form below should you not wish your child to view the film, otherwise we shall assume your consent.**

Kind regards

**Mr Hewer and Mr Wernick**  
**Y6 Teachers**
