Tuesday	Maths	Option D Computing Design Technology History Hospitality IT Psychology
Wednesday	Science	Option B Art Business French Geography Music BTEC PE
Thursday	English	Option A Art Business Studies Economics Food Tech PE Photography
Friday	Science	

Homework tasks should take you between 30-60 minutes per subject. Some subjects may give you longer to complete tasks than others and therefore, you should plan and prioritise tasks using Epraise in the first instance. Try to spread your workload out across the week. You will receive **weekly** homework in all of your Options subjects as well as the Core subjects. Science appears three times because you will receive homework in Biology, Chemistry and Physics across the week.
